Spring brings many new things—new flowers, new grass, a new burst of growth in the hedge. It brings spring housecleaning, colds and sniffles, new travels. At the risk of rushing the season, it also brings a new columnist

Storkatorials

AT TORRANCE MEMORIAL HOSPITAL

A baby girl was born to Mrs. Charles H. Smith (Jettie Seaborn) March 15 at Camp Pendleton Hospital in Oceanside. Named Melodie Elizabeth, the pretty young miss weighed 7 pounds 7 1/2 ounces upon her arrival.

Mrs. Smith is making her home with her parents, Mr. and Mrs. W. R. Seaborn, at 2227 Andree Ave. while her husband is serving in Korean waters on the carrier USS Philippine Sea. The paternal grandparents are Mr. and Mrs. H. C. Smith of Leesburg, Fla.

The Torrance Fire Department has a proud new father—Bill Stonecker and his wife, the former Virginia Crovella of WALTERIA, became parents of an 8-pound 12-ounce daughter born March 7 at San Pedro Community Hospital.

The Stoneckers, who make their home at 3838 Newton St. in WALTERIA, have named their first child Pamela Jane. Mr. and Mrs. Ettore V. Crovella of 24416 Park St., WALTERIA, are the maternal grandparents, and the paternal grandparents, also of WALTERIA, are Mr. and Mrs. Paul Stonecker of 24430 Neece St.

Kathleen Jean Knowles weighed in at 7 pounds 11 ounces upon her arrival Feb. 22 at Torrance Memorial Hospital. She is the daughter of Mr. and Mrs. Gene Knowles of 1646 W. 203rd St. and has a 1-year-old sister, Deborah Alice.

Knowles is an inspector for Harvey Machine Co. The maternal grandparents are Mr. and Mrs. Hugh Mitchell of 1417 W. 220th St.

A son was born March 9 at 11:28 p. m. to Mr. and Mrs. Jose G. Velasquez of 2563 W. 235th St. The baby weighed 3 pounds 10 1/2 ounces at birth. The mother is the former Consuelo Valencia and her husband is employed at Pacific Electric Railway.

Mr. and Mrs. Billy J. Patton of 703 Pacific Lane named their first son, born March 10 at 10:34 p. m., Steve Randall. The baby weighed 9 pounds 2 1/2 ounces.

Patton is employed as a crane operator at National Supply Co. His wife, the former Laquita Marical, is the daughter of Torrance, Mr. and Mrs. Earl Marical of 701 Pacific Lane. Paternal grandparents of the youngster are Mrs. Opal Rebadon of 1227 Crenshaw Blvd., and Jewel Patton of Chualar, Calif.

Francisco Hernandez Andrade is the name given the new son of Mr. and Mrs. Felipe Andrade of 2109 Delamino Blvd. The youngster, who has one brother and three sisters, was born March 10 at 8:07 p. m. to the former Maria Hernandez. Andrade is employed by the King Co.

March 15 was the date of David Llewellyn Kenworthy's arrival into the world at Torrance Memorial Hospital. Son of Mr. and Mrs. Glenn L. Kenworthy of 4627 Mindora Dr., David has two sisters, Ida Rebekah, 3 1/2, and Lu Wen, 2.

Kenworthy is a fireman with Union Pacific Railroad. His wife is the former Helen Grayce Bateman, daughter of Mr. and Mrs. Alfred H. Bateman of St. George, Utah. Mr. and Mrs. Boyden L. Kenworthy of St. George are the paternal grandparents.

A new addition to the Donald L. Miller family of 2047 Kathy Way was chronicled March 16. Mrs. Miller became the mother of a 9-pound boy, Michael Edward, at 10:05 a. m. in Torrance Memorial Hospital.

Little Michael, whose father is an electrician at the Long Beach Naval Shipyard, has one sister, Linda Lee. Mr. and Mrs. F. Marcoux of 2314 - 235rd St. and Mr. and Mrs. R. E. Miller of 1217 Anapola Ave. are the grandparents of the new arrival.

Birthdays on St. Patrick's Day will be in the offing for Kathleen Rhae Alexander, who was born March 17 at Torrance Memorial Hospital to Mr. and Mrs. William G. Alexander of 17420 Della Ave.

this year... ME. They tell me the first thing I should do is introduce myself. Like so many others in our neighborhood, this is our first home... the first piece of property whose title says: "Owner-US." And like so many others, we feel it's something like a first love—it occupies a special place in our affections. Like others, we have two children, Jack and Jill. They are fraternal twins, five years old, a boy and a girl. Like all the other children, they seem to catch every cold, fever, and kid disease that comes down the road. Even as this is written, Jill is just coming out of the numps and Jack had a close conversation with the doctor today about some rheumatism he picked up in last week-end's rain. Yes, the doctor says even the little ones can get rheumatism.

I hope that will do as a brief introduction. We can fill in later as we go along.

Good news! Dee Showalter, after 14 months overseas in Saeco, Japan, and Guam, returned home this month to 232 Via Alameda. He was recalled to active duty in the Naval Reserve 18 months ago, and has spent his Naval time in a cargo handling battalion both in the United States and overseas. Dee looks forward to his release to inactive duty in May.

Mrs. Mary Louise O'Jibway, of 250 Paseo de Granada and her twins are finishing up a series of shots, needles in the arm type—preparing for their overseas trek to join her husband in Formosa. Tentative planning calls for their departure in early May, as part of a group of 17 wives and their children bound for their collective husbands' sides in their overseas duty.

To wind up the military news of the neighborhood, Captain William Donovan, 238 Paseo de Granada, has rejoined the Marine Corps, having accepted a permanent captaincy in the regular Marine Corps. His wife, Ruth, reports he is stationed at Camp Pendleton with the 3rd Marine Division. Captain Donovan spent seven months in Korea prior to his present duty station.

Pat Szecsey, of 216 Paseo de Granada, is busy getting ready for her mother's visit next month. This is an extra-special sort of arrival—her mother has come all the way from England to spend a few months visiting her.

Many a husband came home grunting happily last week. They had been down to the Sportsman's Club's annual open house. Will Zens presided over the business meeting. Dan Whitney, past president, reviewed the good works of the club, which through its annual sale of Christmas trees and its summer barbecue, has managed to sponsor the local Boy Scout troop and maintain works of charity. The meeting broke up early when two willing members rolled in the barrel along with pretzels, chips and other good things to eat. Half the barrel went during a showing of a "fishing by airplane" movie, while the other half met its fate later over a billiard table and a jam session.

Up hill and down dale—Dick and Lou Blakeley will spend this week-end in Palm Springs, vacationing, while Vivian Cool watches their new baby... Mr. and Mrs. Roy Christensen of 708 Calle de Arboles, are sporting a new two-tone red automobile; they're thrilled... Mrs. Audrey Prindle's 18-year-old brother, Allen Smollen, left last Saturday for Santa Cruz; he's entering the seminary there in preparation for priesthood. Sal and Lind-

Harbor Citizen Against Darby

Graydon F. Beeks, who claims that he became aware of gross inefficiency and waste in the county departments in which he recently served, will run for Fourth District Los Angeles County Supervisor.

A resident of Rolling Hills, Beeks resigned his post with the County Department of Probation and Charities to make himself eligible to toss his bonnet into the supervisory race.

His only opponent to date is incumbent Raymond V. Darby, who will seek reelection.

Beeks, a long-time Harbor area resident, served on the Long Beach Police and Fire Commission for several years. He is a member of the First Methodist Church, is active in the Men's Club and served as vice president of the Long Beach Area Scout Council.

He had been in county employment for 49 years.

Mary Swine Beeks, his wife, who is a Long Beach attorney, will manage the campaign.

husband at his duty station with the Air Force there... drop by to pick up your offer.

Lena Howey, of 308 Calle de Andaluca and Vivian Cool, of 717 Calle de Arboles, announce that the Red Cross quota in this neighborhood has not yet been met. Those who wish to contribute are invited to call Mrs. Cool at FRONTIER 5-4018 who will arrange to have someone drop by to pick up your offer.

Remember, it may be your cesspool that falls in next. They say this is the start of a seven-year cycle of rainy weather. The far bears it out. It takes time to build a sewer system, so the earlier we start the earlier it's done and we can all breathe easier. Call one of the above and arrange to sign the petition as soon as you can.

We're creeping closer to having our own school and the responsibilities that will attend it. The pre-organization meeting for Hollywood Riviera Schoolown PTA.
